The selection of an awarded Proposer for contract will be made using the following four-step process:

1. In order to be initially selected, the Proposer(s) must meet the “Minimum Qualifications for the Proposers” as included in this RFP, and their proposal must satisfy both the “Mandatory Requirements For All Proposals” and the “Objectives of the RFP”, also contained in this RFP.

3. One or more of the Proposers may be invited to make oral presentations to a selection committee or to the Council/Commissioners, or to answer questions.

If a final award is made, such award will be made to the Proposer who meets the above stated selection sequences and is judged best able to provide a health care delivery system at the Jail.

Proposals which do not meet the mandatory requirements will be considered non-compliant and rejected. After the evaluation of the proposals and the selection of the successful contractor, all Proposers will be notified in writing of the selected firm.
